

MREP

program announcement

Purpose

Rehabilitation Outcomes Research Center of Excellence - Gainesville, Florida

MREP awards are intended to provide beginning doctoral level non-clinicians interested in health services research with an opportunity for a period of concentrated mentoring and research activities. The awards provide three years of research support designed to prepare awardees to compete for funding. The program goal is to help applicants develop their skills so they can successfully compete as independent investigators in VA Merit Review or other national programs.

Funding Support

\$ 72,035 maximum salary support, per year for 3 years

This fellowship is non-renewable.

Eligible Students

- U.S. Citizen
- May hold an academic appointment at the Instructor or Asst. Professor level
- Must not be more than 5 years beyond receipt of their Ph.D. or last research fellowship

Applications Due

June 15, 2005
